Thanks to securing support from our partners, the program and local arrangements committee have been able to keep the registration fees low to enable live participation by as many delegates as possible: **100 Euro for international delegates**, and **1,000 TL only for those who live and work in Türkiye**. Online participation is 50% of the conference fee. Single day participation can be purchased on site for 30 EURO / 300 TL, subject to availability.

Please transfer the appropriate amount **before September 20th, 2024** to host organisation MiRAS Centre for Cultural Sustainability (an NGO based in Istanbul) using the details below. For international participants: 100 EUR to the euro account number specified on the next page. For Turkish participants: 1,000 TL to IBAN TR030006701000000034665128.
