

Virtual Round Table
Ethnochoreology in the time of COVID 19
20 and 21 July 2020

The Programme Co-Chairs of the 31st Symposium, in conjunction with the Study Group Executive Committee, invite you to participate in a virtual meeting in July 2020 over a two day period (Monday and Tuesday, July 20 and 21, 2020). The purpose of the meeting is two-fold:

- (1) Study group Business Meeting related to elections and initial planning for the 32nd symposium in 2022;
- (2) Meeting with roundtable(s) focused on ethnochoreology in a time of physical/social distancing.

The virtual sessions will start each day at 16.00 Central/Southern European time; 7:00 a.m. Pacific time (Los Angeles), 19.30 (India); 12 midnight Australia. Each day's sessions will not exceed 2.5 hours. An invitation and further details will be shared closer to the event.

The Study Group Executive Committee will be sending a separate email with more details about the business meeting portion in the coming weeks.

Some of you are eager to discuss the ways in which ethnochoreologists are adapting and coping with the changes necessitated by COVID 19, including changes in transmission/teaching, effects on/implications for our research/fieldwork and more. The meetings will feature a roundtable with short presentations and discussion focused on these topics.

Round Table presentations should be no longer than 5 minutes. Presentations will be ordered in moderated group sessions and followed by open discussion.

Members of the Study Group on Ethnochoreology are invited to send ideas for a contribution to a roundtable to the Programme Chairs, Selena Rakočević and Anne von Bibra Wharton (selena.rakocevic@gmail.com, annevbibrawharton@gmail.com) no later than June 20. We will select presenters for the roundtable and notify them by July 1. We look forward to receiving your proposals. Please send them using the brief form below:
